InfoComm International® Officers Appoint Executive Committee

Fairfax, VA - January 4, 2006 – The four officers of InfoComm International have appointed four additional Board of Governors members to serve with them on the InfoComm Executive Committee.

Merry McCleary, AVYVE, Chair of the Membership Committee; Jay Rogina, Spinitar, Governor-at-Large; and Fred Bargetzi, Crestron Electronics, Governor-at-Large; have all been reappointed to the Executive Committee. “Merry, Jay and Fred contribute considerable talent and expertise to the Executive Committee,” said Randal A. Lemke, Ph.D., Executive Director, InfoComm International. “We are fortunate to have their continued guidance and leadership.”

Tom Stimson of Alford Media Services, LP, is a new appointee to the Executive Committee. He serves as chair of InfoComm Rental & Staging Council. “We are pleased that Tom will be lending the Executive Committee his knowledge of the staging industry to help us further serve our rental and staging members,” said Lemke.

The Executive Committee is charged with administering InfoComm affairs between regular meetings of the Board of Governors. The four officers of InfoComm include Chairman of the Board Tom Peters, CTS, President Randy Pagnan, President-Elect, Jay Armand, CTS, and Mark Valenti, Secretary/Treasurer.

About InfoComm International:

InfoComm International® is the trade association of the professional audiovisual and information communications industries. Established in 1939, the association's 3,500 members include manufacturers, systems integrators, dealers and distributors, independent consultants, programmers, rental and staging companies, end-users and multimedia professionals from more than 70 countries. InfoComm International is the leading resource for AV market research and news. Its training and education programs, along with its Certified Technology Specialist (CTS) and Certified Audiovisual Solutions Provider (CAVSP) credentials, set a standard of excellence for AV professionals. InfoComm International is the founder of InfoComm, the largest annual conference and exhibition for AV buyers and sellers worldwide, and also co-sponsors the Integrated Systems Asia, Integrated Systems China and Integrated Systems Europe industry expositions. Additional information is available at www.infocomm.org.

About AVYVE:
