Avyve Hires Industry Veteran to be CFO

Atlanta, GA – April 25, 2007 – Avyve recently announced the hiring of Allan Small to the position of Chief Financial Officer.

Mr. Small joins Avyve after sixteen years of industry experience as the Chief Financial Officer of Southern Business Communications Group, a Global Imaging Company. He was responsible for strategic planning, development and leadership of the entire finance function supporting a workforce of 185 employees.

"I am pleased to have Allan on the Avyve team," says Merry McCleary, President & CEO of Avyve. "His extensive operational, strategic and financial experiences within our industry will be extremely invaluable to our organization as we continue to experience significant growth in the coming years."

AVYVE was founded in 1998 and is a preferred audio visual design integrator by architects, major corporations, universities, the federal government, as well as, the homes of their leaders. Recently completed projects include Southern Company Headquarters, Arby's Headquarters, Mellon Wealth Management Regional Office, Ernst & Young Regional Office, Emory Goizueta Business School and Georgia Pacific's IT Showcase project.

About AVYVE:

Established in 1998, AVYVE is a nationally recognized audio visual system integrator headquartered in Atlanta, Georgia. A team of industry veterans specialize in the integration of a wide range of visual communication solutions for their corporate, medical and higher educational clients, as well as the homes of their leaders. AVYVE's strict focus is on the design, implementation, training and maintenance of their clients' systems. Areas of expertise include boardrooms, training facilities, media rooms, videoconference centers and command control environments commercially. Residentially, AVYVE provides whole home automated technologies encompassing audio distribution, lighting control, phone systems, as well as home theaters, networking solutions and video surveillance.
